

Attention Patients:

Precision Physical Therapy and Wellness implements a cancellation policy for all no-shows and cancellations made within 24 hours of the scheduled appointment time. If a patient either no-shows or cancels an appointment (with less than 24 hours notice), they will be assessed a **\$60 cancellation fee** that must be paid before they are seen for their next visit.

We aim to be as flexible and accommodating as possible for all of our patients' needs, but understand that it is detrimental to our business to have routine cancellations if appointment times could otherwise be filled by other patients.

Understand that this will not affect you for cancellations made with more than 24 hours notice or for extenuating circumstances, which will be at the discretion of Precision's staff.

Thank you for your understanding and cooperation.
